About Mudara IOD:

Mudara IOD is the regional professional membership organization serving board members, directors and governance professionals in the Middle East and North Africa (MENA) region. Working on enhancing the role of company directors within the public sector, private and family run businesses by providing information, research, advisory services and learning programmes to assist members and boards in raising standard of corporate governance.

About Muhammad Abdullah Al Harith Sinclair:

Al-Harith is a partner in the DLA Piper Dubai office and is Head of Regulatory and Government Affairs for the Middle East. His areas of expertise include regulation of financial institutions, government and affairs, mergers and acquisitions, competition and consumer protection, investigations and white-collar crime advice.

With 11 years of experience in regulation he has specialised in financial institution regulation for the last nine years. Much of this experience was gained at Clifford Chance, and at Cleary, Gottlieb, Steen & Hamilton where he headed up the UK financial regulatory function globally. As a specialist in the whole spectrum of financial regulation, Al-Harith has advised leading multinational banks, insurance companies and other financial institutions on matters including new authorisations, new products, regulatory capital structuring, general compliance and liaising with regulators and local counsel around the world.

About Alexander Blom

Alexander Blom is the Vice President, Marsh and serves as the Financial and Professional (FINPRO) regional leader for Middle East based in Dubai. Alexander specializes in advisory and insurance placement for Directors' and Officers' Liability, Professional Indemnity and Bankers Blanket Bond and other related financial lines insurances.

Alexander joined Marsh in 1998 in the Netherlands, after graduating from Erasmus University of Rotterdam with a Master's degree in Business Economics. Prior to his appointment in Dubai in 2008, he worked for Marsh in London, Rotterdam and Amsterdam. With the rapid growing economies throughout the Middle East and great attention to Corporate Governance Marsh experiences a high demand for specialized risk management advice. Typical clients with the quest for specialist advice include: International businesses, Financial Institutions and Professionals such as: Lawyers, Accountants, Engineers and Architects.
